“ *Dear Campbell Family; I sit here with so much to say and so little space. My heart is sad for selfish reasons, because I did not want to let go of my childhood friend. No matter where we were in life, Tami and I knew that we were in each others hearts. Now my heart hurts, but the memories that Tami and I made together will live in my heart till I rejoice with Tami again in heaven. It seems like yesterday that we were laughing and cutting up as kids and teenagers. The wonderful times we shared and always laughing, either at ourselves or someone else. I miss Tami now and will miss her all the days of my life left here on earth. I know that my Mom and Dad are sitting with Tami right now in heaven and waiting for the day that ALL of us are with them. My heart goes out to each of you. I love you all and I will always be here for you. Tami will always be my true and loving friend. God's blessing on each of you, now and forever more. Love ya!*

“ Dear Mona, Gene, husband Lawrence and family....I remember, through all the years... Tami's beautiful smile and how she gleamed when she came to visit. Our girls and Tami had a close relationship growing up...and even though they didn't get to see each other often in their adult years...Tami is well remembered and will be greatly missed by all.

I'm sad for your loss and pray that you will find comfort in your beautiful memories and strength in God's blessings!

Much love...Sandi Yeatts, Scroggins
