“ I just can't believe I will never be able to just pick up the phone and hear your voice on the other end. You have always been so special to me and I will always remember all the fun and crazy times we had together. You were there when I first met Johnny and so many special moments in my life. I'll miss meeting you for breakfast, lunch or the many shopping trips we went on just for our 'get away moments'. I will miss your laughter, your HUGE hugs we would always share and your beautiful smile. You were always such a special cousin and definitely one of a kind, Tanya. I love you so much and will never forget our times together. I know you are together with Aunt Lucille, Uncle Harry, Mom & Dad and all the other loved ones that left before you. You will be missed so VERY much...I will see you again one day sweetheart, until then...Your Cuz - Karen

“ I'll miss our spur of the moment drives to anywhere, having hot fudge cakes at the Howard Johnson when coming back from Tommy & Layla's (extra fudge sauce on yours), the long talks over coffee at my house, your laughter, and the way you truly cared about your family and friends. I'm so glad I moved to Manassas and reconnected with you over 20 years ago. I have missed you since you & Sam moved to Culpeper, and will miss you even more knowing you won't ever be at the other end of the phone again. I rejoice knowing that you are no longer suffering and are in the presence of God, and that your mom and Marty are there to welcome you. I love you always, and look forward to seeing you again. All my love to Sam, Doug, Austin & Jena, and Sandra.
