“ Ross and Family,  
*Tatiana was one of the most influential women in my life! She loved me the first day that we met and I her. We had a unique closeness through the Spirit of God. She poured out her life to others, loved the hard to love and always encouraged and nourished others to believe, trust, and to walk with the Master. My prayers are with you and for you, knowing how greatly you will miss her. Be encouraged, you/we will be together again!*

Love,  
Theresa

*Tatiana was one of the most genuine people I've ever known. Beyond kind and gracious to everyone. She was a friend and sister from the time we met and I am forever grateful to have known her, to have experienced praying with her and especially to have called her my friend. Prayers continue for Mr. Ross and their family. Love to all, Bea (& Jim)*
