

Terry Lee Caniford

June 12, 1953 - December 12, 2020

Terry Lee Caniford, age 67, passed away on Saturday, December 12, 2020, at his home in Bristow, Virginia.

He was born on June 12, 1953 in Winchester, Virginia to the late William Lee Caniford, Jr. and Mary Lou (Gardner) Caniford.

Terry loved his wife Cathy, his son John, and daughter-in-law Tracy more than life. Cathy was his soul mate for over 40 years.

He was always willing to lend a helpful hand to anyone that reached out. He truly loved helping people and was always happy and positive no matter what happened in life. There was no problem that he could not solve. If there was no solution to a problem, he made one. He always told his family “there are two words that aren’t in our vocabulary: Can’t and Quit”. He would never give up, no matter the odds and always said “cream rises to the top”.

He was an incredible commercial real estate professional whose level of professionalism made him an icon in the industry. He had a true passion for real estate.

He loved antiquing, horse racing, playing tennis, and most of all his family and friends. He was the happiest when he was entertaining loved ones and he

could always take you down memory lane. Another passion was baseball as he coached baseball for over 30 years and shaped the youth of so many players, all who were impacted by Terry's discipline on and off the field. In true fashion, Terry never let us forget that he was the most winning coach at GMBL (Greater Manassas Baseball League).

He loved watching his favorite TV Show, Dallas, with his hero being JR Ewing. You could always find him singing and listening to the Beach Boys, Elvis, and the Beatles.

The family will receive friends and family on Monday, December 21, 2020 from 1:00 p.m. where service will begin at 2:00 p.m. at the Love Church, 11234 Balls Ford Road, Manassas, Virginia with Pastor Tony Lutyk officiating.

Entombment will take place on Tuesday, December 22, 2020 at 10:00 a.m. at Stonewall Memory Gardens, Manassas, Virginia.

“ Terry: I had a feeling that you may have gone to another residence! I had moved away from Washington, DC, and I just had this "feeling" the past few days. Cannot quite explain it all. And, then, I looked your name up and saw your beautiful Obituary. I very much enjoyed showing and looking and over your numerous listings over the years. I darn near almost joined your firm a few times too. I know you up above helping all those with commercial (and any) type of real estate. We will always think of you fondly, and we miss you terribly. “ I am very sad to hear of Terry's passing. I met him several times while conducting environmental studies on his properties and always enjoyed spending time with him. He put everyone at ease with his affable demeanor and he was always quick to laugh. I along with everyone at ECC environmental consultants will miss working with Terry.

“ So sorry to hear we lost him so young. He has now joined my son, Derek Crowe, whom Terry coached, and Derek loved like an older brother. I am sure they already have a league started. Rest in peace our friend.

“ I will always remember the little boy in the flannel shirt who joined our family in the early 1960s. We called you “Man.” Our life after that day would never be the same. From “hunka hunka burning love” to nights spent dancing at the Pilot House restaurant. I'm glad we had you. I will always love that little boy and his mischievous smile.

Your cousin, Jo Marie Bauserman Duke.

“ *I met Terry in 1972 when my family moved in next door to his family. We have been friends ever since. My thoughts and prayers are with Cathy, John and the extended Bauserman family on his passing. He always had a smile on his face, and forever called my father "Cannonball" from their tennis matches. You will be missed Terry. RIP brother.*
