“ We miss you so much, Big T. You are a dear friend and brother in Christ. We take comfort in knowing we will see you again and celebrate with you in heaven, when you will say "I live here, every day. Do you believe that?!!" (A favorite saying from our Bahamas trip in the 90's).

*Peace and strength in Jesus for all of your family and friends.*

“ I met Terry 23 years ago and our first conversation was over 3 hours on the phone laughing and being silly. He'd always win that contest. He was good at it. A sincere and wonderful friend with a beautiful heart. I will think of him often. I know Heaven is still celebrating his arrival with all those he loved and truly missed.
