“ So sad when someone so young departs this life early. I will always remember all the fun times we had at Grandmama's house when we were all much younger. The barbeques, family reunions and special celebrations we all shared in, are cherished memories, never to be forgotten. It is yet another great loss for our family. Rest in peace my friend and save a seat at the big table for the rest of us! --

“ My deepest sympathy to Terry's sister Sandi, to his soul mate Sue and to his three children. Terry always had a special place in my heart from the moment he was born. We shared so many good times together and long phone conversations. He reached out to me when I lost my husband and I shall forever be grateful for that. I will miss him so much. I know your pain is gone now so go rest high on that mountain. RIP

My dear Terry, I miss you so much! You were my constant "Rock" these past 24 years. Thanks for always being there for me. I am forever grateful for the time we had together. This past year was really rough for both of us, but I'm so glad that I got to take care of you for a change. You were taken from us way to soon! May you rest high on a mountain where you have a wonderful view of the ocean! I love you!
