

Terry Lain Shrewsbury

April 19, 1951 - February 25, 2026

Terry Lain Shrewsbury, 74, of Nokesville, Virginia, passed away peacefully on February 25, 2026. Born on April 19, 1951, in Princeton, West Virginia, Terry led a life marked by dedication to his family, service to his country, and an appreciation for the simple joys of life.

Terry graduated from Brentsville District High School and continued his education at IT Technology Center. Following his studies, he joined the United States Navy and proudly served aboard the aircraft carrier USS Independence. During his military career, he was stationed in Norfolk, Virginia, and San Diego, California. His time in the Navy was a source of great pride and played a significant role in shaping his character.

After completing his honorable service, Terry embarked on a long and rewarding career as an IT specialist at Prince William Hospital in Manassas, Virginia. He dedicated many years to his work before retiring to spend more time with his family and pursue personal interests.

Terry was a devoted father to his three children: Travis Shrewsbury, Crystal Bentz, and Tracy Osborne. He was also a proud grandfather to Laurel, Lilly, Amelia, and Solomon. He shared a close bond with his siblings: brother Tom Shrewsbury and sisters Sandy Crawford and Robin Kane. Terry was predeceased by his parents, Ted and Elsie Shrewsbury.

In his leisure time, Terry enjoyed working around the farm—a place where he found peace—and spending time with friends at the Manassas Moose Lodge where he served on the board for 6 years. He was famous there for his Sunday morning omelets. He cherished family gatherings during holidays or any occasion that brought loved ones together. His warmth and humor left lasting memories for all who knew him.

A funeral service will be held on March 12, 2026, at Pierce Funeral Home, 9609 Center Street at 11:00 AM. Burial will follow at Greenwich Presbyterian Church at 15305 Vint Hill Road, Nokesville, VA.

A Celebration of Life gathering location and date will be determined.

“ I lived in the basement apartment at Ted and Elise Shrewsbury, I lived there for 28 years. I meant their children. They treated me as family. Terry or Tommy would come over to fix something. The Shrewsbury family were the best family I ever meant. They are kind sweet people and Tommy, Kim, Robin, John, Rob and Sandy I am so sorry to hear about Terry you had a wonderful brother. I Love you all and I'm so glad to have you all as great friends. Tracy I'm so sorry about your father.

“ Terry was my uncle and he was a great man. I was terrified of him as a child because he was tough and didn't tolerate my nonsense. As I got older I realized how much of a pain I was as a child and totally understand why he got frustrated with me at times. He was such a good man and was just trying to keep me in line. Visiting the family farm will never be the same without him being there. His presence was the Law of the land. Rest in peace Terry. I love you and miss you already. I will see you on the other side. ❤️
