“ *When I think about Ling, I think about so many memories of my childhood. I remember her taking us to the beach, taking us back to school shopping, I remember her bringing us those tiny little bags of peanuts she got from the airport when she used to work there. I remember going to Arlington, I think, just to eat oriental food. I remember her always bringing spring rolls and salad to every event we had because she knew I loved it. I remember her mean little dog that was her baby and i was so scared of that thing. She always sent me a Christmas card, every single year! Ling was a wonderful woman who loved her family and her friends. She always had a smile and her laugh was contagious! Fly high Ling! Xoxo, Rena and Charlotte*
