“ *Losing someone we love is nothing easy, but knowing that we have been able to be a part of the life of that person is an abundant blessing. Find joy and comfort in the reality that you were blessed to have been able to share in your Moms life. I am deeply saddened by your loss, my hearts go out to you and your loved ones and may every prayer in her honor guide her soul to our Heavenly Father.*

“ *The world will be a little quieter today without this very dear woman. She loved in her own special, passionate way and to those of us who had a chance to know her, we will cherish vivid (if not sometimes stubborn!) memories of her! From her Redskins football and M&M's tradition, to her Republican Women's Club and volunteer work, Ms. Thelma Rae will never be forgotten and can never be replaced in our hearts! Katherine - your mother whipped me into shape on some of the finer points of proper manners and etiquette and she and your daddy gave me one of the best gifts I've ever received... YOU and your friendship. You and Kelly have done an amazing job of caring for your mom. Y'all are in my thoughts and my prayers today and always! Love to everyone.*
