“ *Jerry,
Truly my heart felt condolences on the passing of your Mom, and also the passing of your Dad. We find in this short life the agony of losing love ones is almost unbearable.*

I remember coming to your house on a Sunday afternoon and it was the way a Sunday afternoon should be in a family. Your Mom was cooking and your Dad, Georgie, and Ronnie were watching TV probably football. You and I were playing basketball in the cloudy drizzle and i remember "How cool the family is together."

You probably wont get this e-mail but i sure hope you do.
