“ Steve and I love you so very much pumpkin -- you were certainly determined to fight this nasty stuff -- and you did for such a long time -- we're not sure we could have been as strong as you -- may you rest now and fight no longer. Enjoy gathering with all those that you have loved and are now in heaven with them. Spend the rest of your life in glory with no more pain or suffering. We love you so very much -- so does the whole "Fields" bunch honey! Our love goes out to each and everyone of your family members right now -- Terri was a true inspiration to so many and will be missed more than anyone could imagine.
