“ Kevin and I knew Theresa from our many years of being title examiners at the PWC courthouse. She was one of the sweetest, kindest and most innocent people we have ever met. She was kind to everyone she met. She loved her husband and son immensely. She must have told us a dozen times about how young she was when she met her husband and had her son and how it was a "shotgun wedding" that turned into a life long love affair. They were her entire world. She was ecstatic when her son got married and she was going to have grandchildren. I also remember how every year at Christmas she would tell us about how she had to make dozens of chocolate rum balls for her husband's coworkers. She said they loved them. One time when we were going up to New York to visit our son we had asked her what her favorite color was and she said purple. We bought her a purple Pashmina from a street vendor up there and brought it back to her. It was such a small simple thing but when we gave it to her she cried and cried and hugged us both. You would have thought we had given her a million dollars. We will never forget it. And no one will ever forget you Theresa. You were truly one of a kind with a one of a kind heart. You will be missed by many. Prayers and love to your family.

“ Words can't begin to describe the pain I feel for the loss of my baby sister. I think each day I will hear my phone ring and she will be on the other line. I hold onto the memories that Brenda myself and Tootie made together and the love we shared for each other. And I'm so happy at the end of every phone conversation we always told each other we loved them. She was well loved by everyone she met and always willing to lend a helping hand. I also take some peace knowing her and mom are together and pain free. Until we meet again I love you sister.

“ *I just learned of Theresa's sudden passing, and I'm so shocked. We both worked at PWC Circuit Court for many years. She was so young, and gone too soon. My sincere condolences to her family. They were all so very close and she loved them so very much. It will soon be fifteen years since my husband and I left Manassas, and I lost touch with many dear folks who I knew for more than twenty years of day to day work in Circuit. Several herein, have also posted their remarks. The team we had is all gone now, and it seems like a lifetime ago. She always wanted happiness for her son and some sweet grandchildren...and I see that her dreams came true. My email is: cozy85@outlook.com, if anyone wishes to contact me.*

“ My deepest condolences to Frank, Greg and family. Theresa was quick to show off photos of her grandkids whom she loved dearly. Theresa and I worked together for a number of years at the Prince William County Courthouse, where we became friends. She always looked professional when she came to work, she enjoyed her Mary Kay makeup and sometimes would surprise us with lotion and makeup samples. She was a consciences hard working employee but come 5:00 pm it was time to go, she earned the nick name smoky because all you saw at the end of the day was a trail of smoke like the road runner...LOL! Theresa I will miss you my dear friend :(

“ Am so sad to hear of Theresa's passing. I worked with her for her entire career. She was a very pleasant individual who took great pride in her work. She would always come to me for advice concerning questions she had about criminal work she had to make copies for. I sat right beside her before she retired. May God be with her family during this awful time. Life is so short and fragile and she was taken way too young. Prayers to her family.

“ I'm so sorry to hear of Theresa's passing. We worked together for her entire career in the Prince William County Clerk of Circuit Court Clerk's office. I was happy to have a conversation with her last year when we reminisced and caught up on our lives. My condolences to the family as this was way too young to lose someone who had so much life to share with those she loved and who loved her. May you be blessed with love.

“ I'm so sorry to hear this. I enjoyed seeing her at the courthouse. We had some really good conversations whenever we had a few minutes to spare. The Bible says, "to be absent from the body is to be present with the Lord." I know Theresa was a believer, and so I know that she is in glory with our wonderful Lord. That's where my parents are and where I will someday be also--forever in glory with Jesus.
