“ *Always quick with a laugh and a story, Theresa was a kind, generous soul. Twice a year she would gather my community’s yard sale “left overs” and take them to her own home where she opened the doors to anyone and everyone that needed what she had transported there. Theresa was my “Go To” for doing Good Things like that as well as referring her company, L&P, for tree work to my friends and neighbors. Loyal, hard working, direct and always looking out for her friends and family—a person soon became “friend” when meeting and talking to Theresa. My life, and that of countless others, has been made brighter for having crossed the path of Theresa.*

“ Theresa was one of a “KIND “ We met her when she decided we needed tree service She didn't want my husband trying to climb trees. She said he would get hurt.
We had a repair shop so we kept her equipment in good condition and she and Leo kept my husband in good shape.
Theresa always was looking out for someone, she couldn't see someone in need if she could help.
GOD Will be looking for the rest of the family to join her in Heaven one day.. All that knew her Will miss her, just remember what she would tell you to do.
Our prayers and love are with you

“ Theresa had a heart of gold. She was always so happy and uplifting when I was around her. She and I developed a deep friendship over the years and she called me and my husband Mom and Pop. She would always call to check on us and we looked forward to her calls. She was one in a million and she will be greatly missed. So thankful to know that this is not good bye, but merely, I will see you later message, my dear friend. May God bless her family as they go thru this difficult time. May His light shine on you and give you peace and comfort. God is in control, so keep the faith knowing she is in a much better place. God bless you all. RIP, dear friend. I love you, Theresa. .

“ I love you Aunt Theresa, and I already miss you tremendously. I find peace in knowing that you're up in Heaven with Jesus and reunited with grandpa Clarence and Uncle Jr. Heaven is a much more beautiful place since they have you. Thank you for loving me and my children and always being there for us. Kaydence, Kyleigh and especially your buddy, Mason, will miss you. Life will never be the same with you gone. Until we meet again, I'll continue to miss you. You'll always be my "crazy aunt" -Love, your crazy Niece.

“ *Thelma, Michael, Charles, Kim & Lorraine,*
My thoughts and prayers are with you and have been since Jean contacted me earlier this week with the sad news of Theresa being ill. I remember Theresa from our days on the school bus together. It's unfortunate that after we graduate from school and we each go our separate ways to begin our lives, that we often lose touch with those that once meant so much to us in our daily lives!!!
But it happens.... Lorraine I will always remember our many conversations on the school bus and that trip to Williamsburg 😊
We had some good times didn't we.
It's the good memories that we are able to reflect on during times of loss and sadness!
I'm sure your family will embrace the love you have for each other in the days ahead and think back to the times you had with both Junior and Theresa.
Just know you are in my thoughts and prayers and God Bless you
🙏❤️

“ Mrs Wampler,
I went to school and rode the school bus with ALL of your kids when you lived in the house at New Baltimore.
Lorraine especially... we were very close and hung out with Jean Payne and had some fun times together... I was older than Theresa but remember her fondly.
I'm sincerely sorry to hear of her illness and passing. You and your family are in my thoughts and prayers during this traumatic time. I pray that Theresa's reunited with her brother Junior and they are smiling down to all of you from Heaven & rejoicing in the Lord 🙏.
God Bless all of you. ❤️
