“ *To Tom's Family,*

Tom was a great friend to me growing up in Mullinville, and I was shocked to hear of his passing today.

I pray for your comfort during this difficult time.

“ *He was not only my brother but the best man at my wedding. He was someone to whom I would talk to at least once a week, if not more. My wife and I had stayed overnight with him while on a trip to the east coast area, this was in October, he was excited about moving to the Manassas area and starting to work for American Systems, during his short time there he really enjoyed the people with whom he had worked.*
