“ On my wedding day, he looked me in the eyes & told me that my daddy would be real proud of me. My father passed when I was 1.5 years old, Uncle Tom was the only one that made any mention of him & that was very special to me. I'll always hold that in my heart. I am sorry to hear of his passing. <3

“ Mr tom, i can remeber the first time i met you when i came to your house with seyla, you had asked me about who my family was an i told you my moms name an you asked if she was related to sharon hash, i had told you that she was my aunt...you then told me that you had worked with her at the waste plant! I thought to myself it was such a small world...you were some what connected to my family . Little did i know that me & seyla would be life long friends!! With great sorrow that you've gone on....nicki
