“ Tim was my big brother, my friend and my hero. Being the oldest sibling he lead by example and set the standard for my younger brother and I. The best of the best.. always. When we were younger, my partner in crime, when we were older my friend, my confidant. He adored his wife Sue and was proud of his son Jesse. He love his grandson Johnny. His love of family was important to him and the pride he took in his job was admired by all. Though our family is feeling a heavy loss, I take comfort in knowing that he is at peace with our Dad and other family that has gone before him. Until we meet again Tim... I'll be looking to the stars.
