“ Dear Flanigan Family,  
We were privileged to know Tim for a short while in the Winston-Salem First Ward. We were very impressed with his wonderful Spirit and his testimony. We also had the honor of having him in our home once, and we will always remember his incredible spirit. One of the best things about him was how deeply and genuinely he loved his family. He was very excited and proud to share pictures and talk about each one of you. We pray that the Lord blesses and comforts you in this time of unimaginable loss. We rejoice in knowing where Tim is, and in the mission that he is now fulfilling. May the love of our Heavenly Father be with you always.

Thank you for raising such a good man, he was a wonderful example to everyone he met.

Love,

The Reeder Family

“ I feel honored to have known Tim. He and I were MTC missionary companions, and I was struck by his dogged perseverance and quest to do what was right. He had an air of charity about him that was remarkable. Know that he is still thought of and missed by those who knew him.
