“ Wow - I know this is really late. But I am so deeply saddened by Tim's passing. We were in contact via facebook a little over the last few years and it was fun to see Tim as a grown man after having been high school sweethearts so many years ago. He was one of the first people to find me and contact me on FB! He was also very good about circling back around to get me to post more often! I am so certain that he will be sorely missed by his friends and family. My sincere condolences are with you all.

“ Dear Tim's Family,

I am sincerely sorry for your loss.

Tim and I worked together at CFC, he was in the Accounting Department while I worked in the Mail Room and even though the company is small in size (about 240 employees), I had limited interaction with Tim. But, every time I saw and spoke to him, Tim was genuinely nice and pleasant to me. And for that, I am deeply grateful.

“ Met Tim during the Summer of '77 shortly before starting our freshman year at VT, became good friends at VT, roommates afterward. Many great memories on bike adventures, golf course, trips to "the mountain" and more recently our regular lunches at Reston Town Center to catch up and laugh at the stories and memories. Tim has been a very good friend for a long time and I will miss him. Rest in peace Tim!

He played drums, he played a mean game of ice hockey...his father was the family dentist; we did it all, from mini-bikes, to horses, to jumping pogo sticks, and even hoola hoop, and unicycles....he'll be missed by all of us on the Vale Road, Stuart Mill Road Gang.*
