“ Love, prayers and hugs to the whole Peyton family. The college days at Marymount were so much better and more fun with Tim. Hundreds of lunches, dinners, fishing, swimming, car and family stories, and finding 4-leaf and 6-leaf clovers and laughing when we were supposed to be studying! Heaven certainly needed another very special spirit, and we were each lucky to know him and have such a true and kind friend, here in our lives for such a short but awesome time! <3 xox <3 ~ The Caltrider Family
