

Mr. Timothy John Shevlin

February 22, 1965 - February 19, 2021

Timothy John Shevlin, 55, of Middleburg, Virginia, passed away on February 19, 2021, after a long and brave fight with prostate cancer. Just as he handled all experiences in life, he managed his illness with strength and grace, and wanted to spend as much time with his loved ones as possible. One his final day, he was surrounded by his family and loved ones.

Tim is survived by his love Debbie Castelhana, and his three children; Steven (28), Laura (25), and Shannon (23) Shevlin. Tim also had a wonderful relationship with Debbie's two sons; David (34), and Justin (32) Castelhana. He often visited David and his wife Danielle at their home on Lake Anna, soaking up every moment with his grandsons Greyson (3) and Gabriel (10), who affectionately called him "Papa Shevy". Tim is also survived by his brothers Mike and Bill Shevlin and his sister Barbara Lee. Tim was preceded in death by his parents Dr. William Shevlin and Barbara Suchy as well as his brother Brian Shevlin.

Tim loved many things - grilling out, country music, growing vegetables in his garden, testing his luck with scratcher lottery tickets, and planning his yearly beach trip. He visited Emerald Isle, North Carolina every summer with the whole family, (dogs included!), where he hoped to retire one day with Debbie. Tim's family will always remember him by beach sunrises, fresh crab dinners, and walks along the shore to hunt for seashells.

Beyond vacation and leisure, Tim loved spending time with his children, and grandchildren more than anything. He never missed an opportunity to have brunch with his daughters, host his grandsons for the weekend, or have Sunday morning phone calls with his son, Steven. He was often the designated driver for winery day trips where he welcomed his daughters' friends as part of the family. He also enjoyed spending weekends attending football games at JMU where he showed off his custom cornhole boards and skills, crushing the competition at tailgates.

Tim spent 30+ years working as a Land Surveying Specialist at School & Townsend in Manassas, VA , where he made many close, lifelong friends who felt more like family than coworkers.

In lieu of flowers, memorial contributions may be made to The Prostate Cancer Foundation, 1250 Fourth Street, Santa Monica , CA 90401 or online at pcf.org.

“ Tim and I were great friends from the time we met in first grade until we headed off to different towns and high schools in 9th grade and lost touch. I just learned that my old friend passed away last year, and while I'm late to this site I wanted share my condolences with his family and friends, some of whom I remember well. Tim and I spend so many summer days skateboarding together back in Annandale, and fall and winter days ice skating at the local ice rink. He was a great, smart, fun, honest, generous courageous friend. I hope his kids might see the photo I'm posting of Tim skateboarding at the local spot in 1978 and get a kick out of seeing their young dad going for it back in the day!

“ I was so sorry to hear about Tim’s Passing. He was a wonderful person, father, and friend. He was such a caring person, always wanting to help others, including myself. I’ve known Tim about 13 years. During that time he always spoke so proudly of his son and two daughters. He always put them first. I remember him always running one to Cheerleading and picking up another from a friend. He always had a smile on his face and it never bothered him running them around when they were younger. They were his world. I remember one Christmas years ago he was going to buy boots for one of his daughters and he told me he had to buy something called UGG boots, he said he had no clue where to find them or if he would know them if he saw them! But he was determined to go find them and was very proud of himself once he did! He was always telling stories about something one of them did and how proud he was of them. His face shined when he spoke about them. Tim also loved his yearly beach trips with his family, I always thought it was cute when he would say “ Only 2 more Sleeps” before we go! One year he brought me back a shirt! Never had the heart to tell him it didn’t fit. However it does sit proudly in my office now and makes me smile when I see it.

We last spoke in January and he was telling me about this new medication he was going to try the following week. He told me how proud he was of his kids and how wonderful they were doing out on their own. He knew they were going to do great things! He told me how Debbie was his rock and he would have never made it this long without her. Tim definitely loved his family! I pray for your family during this time. Keep his memory alive in your hearts and he will always be with you. God Bless You All!

“ *Shevlin Family,
Sending my deepest sympathy. I grew up with
Tim in Annandale, sharing so many great
memories with him and our friends.
He loved his family, and was so proud of his
children he would tell us. I know back in the 70's & 80's he loved to
play ice hockey and playing football at Falls Church High School.*

*You are in our thoughts,
Shannon Hunt Garvin*
