“ Dear Captain Dutch,
You and your family are in my thoughts and prayers as I extend my heartfelt sympathy over Tina's passing. As I read the words describing her, I recalled exchanging greetings with both of you on a beautiful autumn day at a Wickham Park cross country meet. Her feelings were captured in the bright smile on her face; there was a great deal of pride in seeing her son run that long, hilly course and joy in being able to share this day with her family! Though taken far too soon, her love and devotion transcends our earthly home and will always be close by you and your sons.
With deepest condolences,

“ Fritz,

Word of this sad news trickled down to us in the field. I am very sorry for your loss and pray that your good memories will help you and your sons endure this most difficult time. I was a young Ensign at the time my mother passed away from medical complications at the age of 48. Even now a day doesn't go by that I don't think of her in some way. Your sons should know that a mother's love transcends all boundaries. And so too a spouse's love. It has not ended.

My sincere condolences,

I am heading back to Rochester, NY in a few days for the passing of my grandfather. He was an incredibly kind man and someone I always wish to be like. I am sure your wife and my grandfather are now comforted by Jesus.*

“ Over the years since graduation I have searched for Tina. I moved away and we had lost touch. I am sad to learn that my journey has led me here. I am however, very happy to tell you Tina was such a dear kind friend to me. I will always remember her smile and the soothing sound of her voice which helped me through so much. My prayers go up for you and your family, even after all these years. May God bless you and keep you all.
