“ Dear Peggy and Family,

I first met Tommy in 1956 when he showed up on the Braddock Road driving his 1950 Oldsmobile Rocket 88. Tommy had come to Fairfax from his home in Cullman, Alabama to find his soul mate. We were both sixteen years old at that time and quickly became "Lifetime Buddies." Tommy soon found Peggy Stringer, and they married in July 1959. Our families basically grew up together after that. Patti Fletcher and I were married in February 1960, and our children played together during their childhood. Everybody loved Tommy; His southern personality and radiant smile made it almost impossible not to. I have always considered Tommy as one of my close friends, and will do so until the day I die.

Peggy; I know that your heart is broken but I also know that you have numerous friends who are praying for you and the boys to get through this very sad time in your life. If you need anything in the future I will always be a phone call away.

Love, Charlie

“ Dear Peggy and family,

I am so sorry for your loss, but the hard part was as you lost him emotionally over the years. I admired you as you coped with keeping him at home. When he was at the bank, he always made time to talk with me and he always had a smile for you. I'll never forget that smile - he was someone very special. He will be missed.
