“HEY, Mrs Wendy!!!” (With a smile and a hug). I’m going to miss that so much. I really don’t know where or how to begin. Tony was the sweetest, most considerate, thoughtful, hardworking, struggling but trying his best and loving person I have been blessed to meet. To whoever reads this, he always missed and spoke of his kids. I don’t know who or what he was in the past and honestly I don’t care. I can just say to us at Childrens Place and to me personally he was my friend, brother and blessing. May his children know they were loved. May The Lord Embrace him always, see you when I’m called to his kingdom. You are loved Tone.

“ Tony entered our life at the children’s place by chance. Just someone needing a job. But within meet months he becoming such a joy to have around. When u worked with tony you knew you would laugh and smile the whole time. He had the most caring spirit to everyone around and touched us daily. He will never be forgotten. Thank you for sharing him with us even if for a short time.
