“ Your Family is in my thoughts & prayers today & every day forward. Tony was a very special man to me. Even through all the hell we all have been put through my feelings never have changed for any of you. I never wanted it to get to this, I just wanted the State to back off. I never wanted to pursue any charges on my husband. He was always Loving, Gentle, Easy Going and would do anything for the people he loved. I am glad that I was able to be a part of Tony's life and would have continued my life with him but was unfortunate due to others in the way, we couldn't at this time. I prayed everyday that the Lord would later in life bring him back to me. I Loved him & will truly miss him alot. One day we will be together again. I'll be waiting!!
