“ *To my wonderful son. I can't believe it's been a month today that you left us here on earth. I can't describe the pain and confusion I'm still feeling right now and will until the day we meet again. I feel incomplete that a piece of me is no longer here with me. I just keep praying that you are at peace and with your first baby girl and the rest of the family. I will always love you and never will I forget you. I hold you close to my heart every day. Rest in Paradise son. Love you always, mom.*

“ Son, I can't describe how I feel right now. I'm lost and feel breathless knowing that God has called one of my babies home. I'm still in shock and disbelief. I want you to know son, my baby boy that I WILL LOVE YOU FOREVER and you will NEVER be forgotten. Keep watch over me and the rest of the family. You will be forever in my heart. Rest in paradise son. Love always, your momma. ❤️❤️❤️
