“ *Tosh was always such a sweet, kind woman and was like an extra Grandmother throughout my life. I will always remember how she had cans of soda to hand out to trick or treaters - we looked forward to that every year! I also will always think of her whenever I have strawberry hard candies because she never went anywhere without having a few in her purse to share.*

Thank you, Tosh, for loving my family and for investing in me. Love you so so much.
