“ Dear Tracy's family ... You have our deepest sympathies. She was such a sweet person, who loved to talk about art and how her favorite color was purple. We've known her since we first met at the Deaf Ministry at Haymarket Baptist. We will miss her dearly, but are glad that she is able to be with Jesus.

“ Dear Long Family,
My deepest sympathy to your family on the loss of Tracy.
I have so many wonderful, fun memories of Tracy in middle school as her interpreter and high school as one of her "fans"!! She was so full of life, laughter and had such a great attitude about life. We had many adventures together.
She will be missed by so many.

“ Tara you and your family are in my thoughts and prayers during this difficult time. It's never easy to lose a loved one, especially one so young. I will always remember how sweet Tracy was and how your eyes would light up and your smile would glow whenever you mentioned her name. Someday you and your little sister will be together again. “ *To the Family of Tracy D. Long,*

I ve spent dozen of sleepovers with Tracy , so many nights of talks about comics , Indians , she loved animals especially Krissy , her beloved dog. She is the most special friend I'll carry with me and I'm so sorry for the loss of Tracy , She is and will always be beautiful . She's now with God at peace , her suffering and her pain has ceased.

I still think about her all the times since we last parted . Her death has affected me greatly deeply . I'll always , always have my Tracy in my heart and my soul .

Her spirit LIVES on in all of us that she crossed paths with . It'll be 6 years since she passed and to be with God. There's not a day that go by , I still weep for her. We'll heal together .

Good night, Nez .
