“ We were heart broken to hear of Tracy’s passing. We have known Tracy for over 59 years. Our families moved to Damascus Drive at the same time in 1964 and our moms became best friends. Tracy was definitely the “cool kid” in the neighborhood. Ernie told about Tracy doing a wheelie on his motorcycle - we also have vivid memories of Tracy on his bicycle riding and holding a wheelie all the way from one end of Damascus to the other. On one of these such wheelie rides, his front wheel came off the bike and he ended up with stitches in his chin. We also have memories of Tracy helping our dad build a shed in our backyard. Tracy was always so kind to our family. As our mom and dad aged and began to have health issues, Tracy would always check to see how they were doing. We will miss Tracy. We send our heart felt condolences to Karen, Robin, Debbie and family.

With our deepest sympathy, Jennifer Hawkins Richa and Lori Hawkins

Dear old friend Tracy , I remember seeing you a couple years back at the pre party for our class re union from Stonewall . One memory that came flooding back were the years we went undefeated on the Generals football team in the Greater Manassas Football League !! I can STILL remember watching you weave in and out of their defenders who one could not catch you and then if they did they could not get you on the ground, awesome to see !! You Tracy were one gifted athlete for sure !! That night we saw each other for the first time in many years you had not changed a bit !!! Those memories will stay in my heart forever , thank you Tracy !

To Robin , Karen mu heartfelt condolences and respect !! Your brother was loved and respected by many !! I understand your pain as I just buried my wife about 3 weeks ago ! Please know if there is anything I can do to help please ask ! You all will be in my my prayers for peace and a quick grieving process! God Bless You And Keep You May His Face Always Smile on you and give you His peace which surpasses human comprehension ! Go rest high on that mountain your work here in earth is finished old friend Tracy !!!

“ *My heart is very heavy with the passing of my dear friend and neighbor of 50+ years. We had a lot of great pool games through the years, and you were such a poor loser when I would win!!! You were so stubborn and would pout for just a little while. There were a few occasions when I felt scared and threatened and I called you and you came running and was there in an instant. You were always there for me, and I thank you my friend.*

We shared so much laughter and great times together, on our bikes or taking a walk. There's probably a pool hall in heaven and make sure you call that eight ball in the side pocket!!!

*Rest easy my friend and may God's perpetual light shine upon you!
My deepest sympathy to the Sargent family.*

*Sincerely,
Robin Corle Bast*
