“ *It was always my good fortune to have known T.C. for many years. Having served on two different Boards in the Town of Perinton while T.C. served on the Planning Board, we had many occasions to interface with good discussions, he was certainly dedicated to the Town and left a Great Legacy. We often saw T.C. and Pam at Riki's restaurant in the Village of Fairport and were always pleased to have a good chat with them. 'Thanks for the Memories...'*
