“ Dear Amy and Laura,
We were saddened to hear about Trina. She was always a friendly,
down to Earth person.
Trina recognized me at the Thrift Shop a few years ago -
we talked a long time about the "old days." What a pleasure.
Wishing you both peace, comfort, and fond memories of your sister,
Trina.

Trina & I were friends from 5th grade on. We cheered together, studied together, learned to drive a stick-shift together and grew up together. I am so saddened by this news. Although we had not been in touch for a few years, she will forever be a part of my life. She was a sweet, kind, sincere friend. Deepest sympathy to her family.

Trina and I were very good friends. Growing up on Longstreet Drive and being classmates since early elementary school, we shared many memories over the years. We were cheerleaders together and best friends. I am heartbroken over this unexpected news. My deepest condolences to Laura and Amy, her beloved sisters. May you be comforted by the fact that so many people loved her. Rest in peace, my dear friend.

I worked with Trina in Prince William County's Dept. of Human Resources for so many years & we chatted everyday. She was devoted to supporting & teaching her fellow employees. It was a well-known fact that if Trina "said or did it, " it was always 100% correct.
My condolences to her sisters who she spoke of frequently & adored.
