“ Well, where do I start! You walked into Middle School as a 6th grader and acted like we had been friends forever, and the bond lasted till the end! To say I miss you is an understatement! I will miss our talks, lunch trips, your visits to my office, and your 2am calls to tell me you love me just for being your friend! Rest peacefully my friend! I won't say goodbye because I know we will see each other again! Love you always buddy! Prayers to the entire family! You all know I am here if you need anything at all. Love to all.

“ Mandy and family, I'm at a lost to find the words to comfort you and your family during this time of sorrow. I would love to make this just go away. Since that's impossible, just remember you had 21 1/2 wonderful years with him. Dwelt on the wonderful life you had together and will still have in the future. Our church is praying for all of you. God bless you and your family.
