“ I worked with Vance at Harris Teeter and just recently was getting to know him better as I came in early in the morning during the summer and he worked overnights. I think everyone would agree that he always had a smile and greeted us all as if we were old friends. He had just been telling me about "back in the day" playing football and basketball and talked about his parents and the rest of his family. I just can't get over that his smiling face won't be there to greet us each day anymore. You were a kind and caring man, Vance - rest in peace.

“ *My heart skipped I beat when I heard that Vance passed away. Vance was a close childhood friend, awesome HS football player, and he loved play Monopoly. Even now when I think about those Monopoly marathons it brings a smile to my face. My thoughts and prays are with Holly, James and family; your loss is Gods gain. Rest in peace Vance.*

“ *Truly saddened to hear the passing of Vance. I worked with Vance at Harris Teeter, being the closing Customer Service and Vance being the overnight manager, I saw him frequently. Such a kind-hearted man, always smiling and saying hi whenever I saw him, and helping me if I was behind with my work. Very sad to hear. Rest in Peace, Vance.*

“ *I worked with Vance at Harris Teeter. Vance was a friend to everyone and never had harsh words about anyone. He was always helpful and assisted any of his coworkers. But what I recall most was his smile. He seemed to always be smiling. Sometimes when I would come in early there he was always a bright smile as he would say Good Morning. Going to work is going to be extremely different in the mornings now and not seeing that smile. Everyone is at such a loss of losing our great friend and Coworker. Rest in Peace Friend, your work on earth is done.*
