

Vann Scott Brooks

May 25, 1954 - December 9, 2024

Vann Scott Brooks, also known as Poppi, Scooter Pie, and Skootz, age 70, quietly passed away on December 9, 2024 at his home in Compton, Maryland

Scott was born on May 25, 1954, in Alexandria, Virginia. He is the son of the late Marjorie Lorraine Brooks and the late Rembert Paul Brooks Jr. He is survived by his wife of 45 years, Kathleen Brooks, his step-mother, Jennifer Brooks, his brother Gary Brooks and sister-in-law Mary, his son and daughter-in-law Ryan and Cristina Brooks, his daughter and son-in-law Katy and Nathan Callihan, his four grandchildren, Malachy Callihan and his fiancé, Kiersten Twiggs, Anthony Brooks, Carson Callihan, Aidan Brooks, one great grandson, Kyler Brooks Callihan who will be just eight weeks old on December 19, 2024 and many, many friends.

Scott was raised in Annandale, Virginia. He spent summers with his parents and brother at the Beach Cottage in Southern Maryland. He loved fishing, crabbing, tooling around in different boats he had over the years, hunting with his buddies at Twisted Knickers Camp and anything to do with the outdoors. He also loved to jump out of planes, just like his dad, and in later years, he easily learned how to fly them.

Like his father "PB", Scott joined Steamfitters Local Union #602. He began his Steamfitter apprenticeship in 1972. He worked for several different

contractors, in several different states. From nuclear power plants on the West Coast, to military installations in North and South Carolina. His trade took him all over the US. He held multiple positions over his 46-year career, and he ultimately retired as the Vice President of Paramount Mechanical.

Scott also devoted much of his time to the Steamfitters Local #602 Joint Apprenticeship Training Committee (JATC). He joined the committee which provided policies and procedures for the operation of the very apprenticeship he attended. He and his fellow committee members spent countless days and evenings selecting candidates that would shape the future of the local!

Scott was always happy, optimistic, and never met a stranger. He was a truly gentle and kind soul, always willing to lend an ear, or give someone a hand. The most important thing to him was spending time with family and friends. He was a voice of reason for many, a kind and generous man with a heart of gold.

Poppi, we love you so very much. You will forever remain in our hearts.

Smooth sailing!

“ A terrific friend. The world was a better place with him in it. I pray that God will bless his family with peace and comfort during this stressful time.
I will miss him and his great sense of humor. If I could talk to him this morning, I'm sure he would say “ All good here.”

“ Sharing the deep sadness at this time for the Brooks Family. Scott will always be one of the most kind and caring people I have ever met. An outstanding Boss to many and I am very grateful that I had the opportunity to work with him. To think of Scott is to know how very much he loved his family first and foremost. Sleep Sweet Gentle Man. Everyone will miss your smiling face and great sense of humor. ❤️

“ So many shared moments in our lives. You taking the picture on my 18th birthday when I went steady with Fred 50 years ago. Experiencing my first crab fest at your beach home. Laughing at so many stories. Meeting Kathleen and seeing how perfect you were together. You are missed and loved.

“ Scott, I thank God for letting my family cross paths with you. You ran into my husband while buying your mulch, helped my teenage Son allowing him to help you out around your yard a while, and I was lucky to be your hairstylist/barber. You will most definitely be missed! We all love you very much! May your kind loving soul rest in peace 📿❤️ Thank you Sir for loving us! The Castles
