“ *My deepest sympathy to the family on the passing of Mrs. Bast. She was a blessing to me and my family from the time I first met her as a young teenager at the Christian and Missionary Alliance Church in 1961. She, as well as the entire Bast family, were wonderful examples of Christian love and support to us in those early days in the faith. I will always remember her gentle ways and kind smile.*

“ Dear Bast Family,

Charlie and I have wonderful memories of Vera. She and I worked together every Monday in the church office, and had wonderful chats about life, and always stories of her children, grandchildren and great grandchildren.

Our earliest memory is when we moved to Manassas in September 1966, and the Bast family welcomed us to Manassas Assembly of God. We attended Vera's Bible class and I always have remembered her advice to the young couples: "Teach your children to respect and not touch items displayed on the coffee table, but since they are children, place any treasured and sentimental items up on a high shelf out of danger of being broken. It is better for the kids and for the parents!" I remembered and practiced that.

Our love to each of you from the Byrd family. We have valued the friendship and love of your parents and each of you through the years.

With tears,

Pat and Charlie Byrd

“ So many fond and loving memories of Momma Bast and her family as our families grew up together in Manassas . I will always remember the big pots of spaghetti and tubs of ice cream and football games we shared at 114 Colburn Dr as well as all the fun we had in the family garden throwing tomatoes and snapping beans at our home on Breedrens farm and in Lake Jackson. What a time we Decker and Bast boys had !! The times are to numerous to mention here, but I will always cherish all of them .Linda , Vickie , Penny , Tommy, Julie , Michel and your families , we are sad for your loss and send our love and prayers for you all at this time. Truly a " Grand Lady" has gone home! We will miss you Momma Bast !!

*Sincerely with love and prayers

“ My deepest sympathy goes out to all of the family.

I am thankful for living across the street from Mrs. Bast and her family when I was a young girl. She was always welcoming and made me feel at home, even with her large family and their friends too. Lots of love coming from her home.

Julie and I were young girls in elementary school during those days and best friends.

Years have passed but I remember the love coming from that home as well as the dedication the Bast family had for their church.

She will truly be missed and my heart aches for all of the family in this time of sorrow.

Sister Bast prayed many times for sister Dean and all of our family. She was an angel on this earth. She is up there with Jesus and grandma now. What a reunion.
