“ So sorry to find this just now. I've been intermittently looking for Verni for some years now. I was reading the Facebook Cyrus Erie N.Ridgeville Hullabaloo page and thought I'd give it another try. We had some good times . Hello to Judi. My condolences to Verni's family. He had a great sense of humor and was very intelligent.

“ Dear, sweet Verni,
I know you will get my message while you are doing DB work at the pearly gates. I was so saddened to hear of your passing. It has been a long time since we last spoke, maybe at one of the Fatted Calf gatherings. The greatest memories I have was the time we shared working together in NJ on COBRA. We had so many laughs and a few fits of negative passion too. You brought sunshine to everyone you met and especially to the COBRA crew. You kept us on the straight and narrow path (as best you could) to accuracy and raised our spirits even if we were unwilling to accept the truth. You will always be remembered for your sweetness, your loyalty and integrity. Many blessings on you up their. I know the Big Man is happy to have you fix up what ever SNAFU's in the communication gap that sometimes exists between Him and us mortals. My most heartfelt condolences go out to your immediate and extended family of relatives and friends. You will be greatly missed. With great affection, Jane (Hanie) Ross.

“ Farewell dear Verni you're leaving
It's time for you to go
Your friendship was a blessing
And I will miss you so
We Shared so many secrets
You brightened up my days
You brought me so much happiness
With your kind and loving ways
You lifted up my spirits
When I was feeling blue
No matter what was happening
You knew just what to do
We ran between the raindrops
And walked beneath the sun
Ran barefoot in the summertime
And oh, we had such fun
Through all the ups and downs of life
The good times and the sad
From AT&T newbie to Golden years
The best friend I was ever be blessed with
God is here to take you home
Now you and I must part
I love you and forever
You will live within my heart.
