“ *Vernon was a long time friend way back in the Georgetown South days. We did many things together, Explorers, two 50 mile hikes accomplishments with the Mormon church and many tales. Preparing for our talent show in high school where he played the wash tub bass which produced many laughs. Driving places in our Ford falcons with the 170 engines always produced many tails, a very talkative fishing partner, many laughs T Peeing local friends yards. Never a dull moment with Vernon. Had good times visiting the Polens' We will miss you pal. Thank you for your service for our Country and may God rest your soul.*
