“ I remember Vertie knocking on our door in 1966 selling Avon. She and my Mom became lifelong friends. Vertie was always warm, friendly and had a great laugh. When my Mom died two years ago I read some of their letters before writing to tell her. May her memory be a blessing.

“ It is with a sense of great loss that I discovered Vertie’s passing. What a wonderful and dear friend she was. Quietly, respectfully, and powerfully, she guided many of us through the snarls and foibles of school administration. Vertie is living proof that our school secretaries rule the world. “ So sorry for your loss. I knew of Vertie (Shinn) through my mother, Ruth, who died in September at age 105. They were friends, and possibly distant relatives through my grandfather, MB Fink. Both ladies were born in Concord NC. I remember visits with Vertie when I was child, and she was just the nicest person. Bette Eaton

“ Alan and Mary, Sorry to learn of Vertie's passing. She was a wonderful lady and a good friend. We enjoyed sharing memories of the times we worked together for Prince William County Schools. She and Neal were so supportive me when I lost my husband so many years ago. Blessings to you during this very difficult time.

“ Miss Vertie was one of the nicest people I knew. She was always smiling and willing to chat regardless of the amount of work she had. As Mr. Richard Neal's secretary, she had constant face-to-face contact with many teachers. She was a shining light in the Prince William County School Board office on Tudor Lane.
