“ *Ginny was a good friend of mine for 6 years, we also worked together for a few years too. We would go to the movies or lunch/ dinner and have some drinks and catch up. Sometimes we would go to Royals games. We always had a good time together. I just saw her on Nov 22nd and we went to a winery and it was so much fun. She was so nice and friendly and I will miss her so much. Love you Ginny!!*

“ *Ginny has been one of my dearest friends for the past 7 years. If we weren't having the usual 6 hour phone conversations, we were messaging each other. Ginny was such an inspiration to me. Being a devout Catholic, she was instrumental in my conversion to Catholicism. I will be forever grateful for the light and love she brought into my life. We shared so many laughs and tears together and if we were lucky Margaritas too. Ginny will always be close to my heart, and there won't be a day that goes by I won't miss her. Although, we are without her here on earth, I know Ginny is finally resting at peace. Until we meet again, Sweet Lady...*
