“ Your loss is a matter of great sorrow. Your pain and heart ache cannot be taken away. I wish i could. my love and thoughts and prayers go out to the entire Jenkins family. Mrs.Jenkins was my role model. She is why i am the good woman i am today. She taught me pride,how to respect myself&what being a lady was about,and most of all how to love myself and how to give it to god,i had no clue what that meant at 12 until she explained it. It was a sad day when we left the because we left a bit of family behind that day, All of you were amazing to us. And if not for the Jenkins family i dont think my brother would have had even a slightly good child hood. So i wish all of you the best and my heart goes out to all of you.
