*Aunt Sissie you will be truly missed. You had a special way with you that made someone feel welcomed. You had a special trait that I shared with my Mom about you that you were truly genuine and always made a point to speak to everyone and acknowledge them even in a crowd. When speaking with you you always expressed yourself so well I loved that about you. I will truly miss you and sharing with you just the little things like crafts, decorations, family, and just catching up. You were truly a Blessing to me and I am sure that Mike feels the same as I do just doesn't share his feelings much. We love you and See you in that Great City in the Sky, Heaven became a little more richer with your presence. Love always
