

DR. W. James Werner

June 3, 1944 - December 2, 2014

Dr. W. James Werner (Jim), 70, of Haymarket, died Tuesday.

He was born to the late Linus and Thelma Werner on June 3, 1944, in Sioux Falls, South Dakota. Jim graduated from Northwestern University School of Medicine in 1970. He married Susan Bisbee in 1971 in Evanston, Illinois. Following two years of active duty as a physician in the United States Army at Fort Eustis, he and Susan settled in the Manassas area in 1974.

As a primary care physician Jim cared passionately for the well being of his patients. At the time he began working in Manassas there were only seven medical physicians practicing in the area. As such he treated a wide variety of medical conditions. Jim continued to serve his patients and the greater community up to his death through his busy family practice and as a Senior Active Physician with Prince William Hospital.

Jim played a significant role in the development of the medical infrastructure in the Manassas area through his work at the hospital. He held multiple positions in the growing hospital system and was a past President of the Hospital Medical Staff. He spent over 15 years serving as chairman of various committees and was directly responsible for recruiting a number of outstanding physicians to the Manassas area. Many of these physicians continue to serve in the community today.

During his free time, Jim helped Susan run Sujawe Kennels, which bred Lakeland and Airedale terriers for 25 years. He was also President of the Airedale Terrier Club of America for several years. He counted among his interests various computer projects, reading, watching baseball and spoiling his grandchildren.

Jim is survived by his wife and two sons, Jeremy Werner, of Bealeton; and Scott Werner, of Brooklyn, NY; and his brother David, of Elizabeth, CO. He is also survived by two grandsons, Vegas and Nicolas.

In lieu of flowers, the family is requesting that donations be made to Novant Health Foundation Haymarket Medical Center. For information about opportunities to support the foundation please call (703) 369-8201 or visit their website at www.novanthealth.org/haymarket-medical-center.

There will be a 2 p.m. viewing and 4 p.m. memorial service this Saturday at Pierce Funeral Home in Manassas.

“ I was one of Dr. Werner's 2 Lilly Representatives, along with my good friend Dan Nemeth-Barath. I used to play tennis with Dr. Werner. He was a wonderful human being. I am very sad. I will pray for him. God Bless him. Tom Bradley - Reston, Va.

Tom Bradley - June 18, 2016 at 04:49 PM

MI

“ I have been thinking about Dr. And Mrs. Werner and family a lot the past month. My heart goes out to those left behind as they entered this holiday season and the anniversary of their loss.

In all my memories of Dr. Werner, he is surrounded by light and full of kindness.

He was the first physician I worked for after NP school and the things he taught me become more relevant as time passes: what it means to be a provider, the art of medicine and care, and good old-fashioned 'doctoring' in its purest form.

I miss hearing him come into the office every morning; the office had life to it when he came... it was palpable.

I miss being able to go down the hall to talk with him about a patient. On at least a weekly basis I encounter a case I wish I could go down the hall and chat with him about. He was so wise, had so much experience, and he loved his patients and being their doctor. And I will always remember his advice to not be afraid to "punt it" when the situation exceeded primary care.

My condolences to the family for the loss of their patriarch. He was a special person to all who knew him.

“ None other like him. God knows I miss him. Not many knew about Cushings Disease, but he sure did. I don't know where I would be without him these past 25 years. I was lucky to have him as my doctor. He wasn't just a doctor, he was a friend. Thoughts and prayers to his family and staff.

Lynn(Haymarket) M. - January 29, 2015 at 12:51 AM

“ *Dr. Werner was my physician for about 20 years. He was not only our doctor but beloved friend who genuinely cared about the health and well-being of the entire Grimes family. You will be greatly missed. With deepest love, sympathy and respect,*

Heather Fice - December 24, 2014 at 10:31 PM

PE

“ *I am deeply sadden to just hear of Dr. Werner's passing today 12/18/14. I have been going to Dr. Werner every since I was 22 years old and moved to Manassas . He has seen everyone in our family at one time or another and was also very instrumental in helping me with my father and getting him set up with medical care in Manassas when I had to relocate him near me from Baltimore. Myself along with my family will greatly miss him. He was definitely a leader in the medical field and also how he treated his patients with kindness and taking the time to meet any/all obstacles that would come up along the way. You could talk to him about anything when you went to see him. If we only had more like him . He was one of kind. My sincere condolences go out to Dr. Werner's family.*

“ Condolences are extended to Dr. Werner's family. We had gone to his office when he was at the Manassas Medical Center many years ago when we moved to the area and moved with him to his new office where he started on his own. We really enjoyed knowing Dr. Werner and will really miss him. He was a kind and wonderful person.

Rest in Peace Dr. Werner.

“ I have been a patient of Dr. Werner since he was at the Manassas Medical Center. I worked for years at PWH where I cared for many of his patients. My most memorable time with him and Susan was when I was fortunate enough to work for them at his practice. He sincerely cared for his family, patients, staff and friends. I am very blessed to have had this gentle giant in my life. Rest in peace Doc until we meet again.
In my family's thoughts and prayers,

Mary McGlone - December 06, 2014 at 11:25 AM

“ Dr. Jim Werner and his wife Susan were members of Sudley Club for many years. Their love for the swim team provided many children with the opportunity to grow their hopes and dreams to participate in a wholesome family sport but also to develop into productive members of the Manassas community. While Jeremy and Scott both were outstanding swimmers, the Werner's commitment to the Sudley community was not about their children's accomplishments but their undying love for what Sudley meant to the member families. Jim and Susan never stop caring about Sudley years after Scott and Jeremy stopped swimming. This passion was evident in everthing Jim did in his life. The mark of greatness is not how long one lives on the earth but the impact one leaves on others. Jim Werner leaves a mark on the Manassas community in so many ways..we are all lucky to have known him. With much love, Dennis Miller

“ Growing up with Jeremy and Scott at Sudley Swim Club, the Werners were amazing to have as friends and Mrs. Werner and Dr. Werner took me into their home and into their doctors office and made me feel like part of the family. I remember driving up the mountain to their house, being fed large amounts of price club sandwiches heated up by the radar range first microwave! Rhythem the wonder dog and Jack too cause he would run away. I remember Dr. Werners laugh. Swim meet award ceremonies. The time we all spent in Ocean City NJ and the time you took me, Jeremy and Scott to Taj Mahal in Atlantic City. My prayers go out to you Mrs. Werner, Scott, Jeremy and all of your family. I am sorry for your loss.

“ I first met Dr. Werner as a teenager babysitter for Jeremy before Scott was even born. From there I lived with the family and took care of the boys and the kennel during my summer breaks from college. I got married, had a child and went to nursing school, and once again found a place to work for him as his office nurse. He was one of the most kind and caring men I have ever known. I treasure the memories of our years together, and he will be greatly missed. Blessings and prayers for the family.

“ I first met Dr. and Mrs. Werner when my grandmother, Josephine Speakes, began babysitting Jeremy and then later Scott. I loved the boys and played with them on their visits to "Grandma Speakes' house. I became a patient of his during my college years. It was so nice to have a doctor who listened and truly cared about you. I would drop by Mrs. Werner's office and chat with her about the boys. I felt apart of their extended family. When I received the news of his death, I was so heart broken for Mrs. Werner, Jeremy, Scott, and all his patients who loved him so much. My children CJ and Gwennie cried at the loss of their dear doctor who was like a Grandpa to them. I grieve for Vegas and Nicolas who will never get to be with such a warm-hearted selfless man. I am sure they will enjoy hearing many stories about him as a adoring husband; loving Father; devoted grandfather; and a gifted doctor to all his patients. Love, Kalyn, Carl, CJ, and Gwennie

“ Dr. Werner has taken care of me and my husband since `1970. We were new to Manassas and he was pretty much fresh out of medical school. We always teased about growing up together. He was a man not only of sound medical knowledge, but also one of caring and comapssion, charisteristics that made him the great physician that he was. I always knew that he would listen to me whenever I needed a shoulder and I had trust in him and his judgment. He saw us through some pretty tough times and for this we wiil always be thankful that he played such an important part in our lives. We are heartbroken to lose him as I am sure are his many patients, but most importantly,his family. To his loving wife, Susan, his sons and their families, we offer our heartfelt sympathy and our prayers..
