“ Oh how Lee will be missed. He was in my classroom in second grade and again in the 8th grade and he was such a delight to have around. Always so full of himself, full of mischief and making me laugh. Another thing I remember about Lee is that he was always about family and he knew for sure that he was loved. I'm so very sorry for your loss.

“ With deepest, deepest sympathy for my dearest friend Jan, and for the whole family at this difficult time. We all know Lee's in a better place today but he's going to be greatly missed by you all. Lee was a amazing young man with an open heart of love for his family. He loved you so Jan, you were the best mother, a mother can be with her child. You were always there when he needed you the most, so hope this will give you some comfort. And this goes with Carrie and Daniel with their own family. He looked up to his big sister and brother because he loved being Uncle Lee to your kids. And there were a special place in his heart for his two god daughters. We all will have cherish memories of him now and forever. May God bless you all now with his love. With love, Sharon Bryant
