“ What a special friend and co-worker at BB&T (previously F&M Northern Virginia). Walter had such a pleasant personality and smiling face as head mail carrier and was liked by all who worked with him.

Betty may the Lord give you strength at this time. You are in our prayers and thoughts.

“ My memory of Walter will always be his big smile. Even as his health declined, he kept that endearing big smile. Walter was one of those people that when you met him, you liked him. I came to love him and Betty like family.

He will be missed so much.
