“ Dear Family and Friends,

Our hearts go out to your family during the lost of your beloved. I pray that your family will be comforted by Gods healing grace. Walt knew the Lord, so he is resting in a better place. We have missed him and will continue to miss him until we meet again in Heaven.

God Bless you all,

Past co-workers at NIH

“ To Mrs Zalewski I am a supervisor in the shops area at NIH. I had on occasion to work with Walt. I am sure he was as dedicated to his family as he was to his responsibilities at work. Ed Burns worked for me during that time and tried to keep us up on any news dealing with Walt. I can't possibility feel the sadness your family has gone through during his illness.

May God Bless you and your family.
