“ My heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29

Wanda Jackson and I had an apartment together in Akron before I got married and left Ohio. The one thing that stands out in my mind about Wanda was her love for Bill. She fell in love almost immediately after she met him. I left Akron in 1968 and we never saw each other again.
