“ Momma Jean, saying a forever goodbye was so hard for those loved you and cared for you. Knowing you no longer suffer does bring a measure of peace and comfort. There's also tremendous joy knowing you're sharing the many wonders of Heaven with Adam and those who went before you. The life lessons you taught your children are still being shared with their children and grandchildren guaranteeing they, too, will have everything they need to survive life in the world you left behind. Memories of happier times spent with you, your spirit, and your love continue to live on in your progeny. Thank you for always treating me like one of your own.

“ *Mts. Crites was my mother-in-law. She loved God ,family and friends dearly! She taught us to pray before every meal and she read her Bible .I also remember watching WWF with her and she would get excited at Hulk Hogan. She loved her nightly piece of of chocolate. Mom dedicated herself to raising her children and grandchildren. She kept a spotless house with a cleaning bottle in her hand ready to clean any mess. She was a busy homemaker, raising, ,babysitting every grandchild with love and other children also What a kind and. compassionate lady. Along with giving to her church, she faithfully supported Saint Jude Children's Hospital .I loved her and my heart goes out to her family . May God comfort the family with a Peace beyond all understanding in our time of sadness . She will be missed but I believe she crossed over and is with her family in heaven . Believe in Jesus and you will be with her again one day ! What a wonderful day that will be 🙏🏻🕊️❤️*
