“ Elliot, I am absolutely heartbroken. You were one of the most amazing people I've ever met. You were always there for me & TJ anytime we needed you. TJ loved you immensely- he considered you a brother. I know you're up in heaven enjoying all of the things- having a beer & playing pool. We will miss you dearly, & I can't wait to see you again one day. We will all take good care of Kayla- I know she was your world. I love you very much. RIP my friend.
