

Wesley Merrill Horn Jr.

December 12, 1950 - January 19, 2016

Wesley Merrill Horn Jr. "Juny", age 65, of Nokesville, Virginia passed from this life unexpectedly on January 19, 2016, in Cape Canaveral, Florida. A cherished and loving man, Wesley is survived by his wife Patricia, his stepson Robert Frappier II of Roswell Georgia, his mother Anne Marie Horn of Manassas Park and three sisters; Marie Mansfield, Lynda Jackson, Karen Monger and 7 nieces; Christy Newman, Danyl Penn, Dionna Kiernan, Ashley Horn, Alexandra Horn, Demi Horn, Kasey Monger and 6 nephews; Ryan Mansfield, Ross Mansfield, Billy Noel, Kristopher Monger, Keaton Monger and Karson Monger. He was preceded in death by his father, Wesley Horn and brother Paul Horn and two nephews; Ritchie Mansfield and Bernie Noel.

Wesley was born December 12, 1950 in Washington, D.C. Wesley was a 1969 graduate of Stonewall Jackson High School and earned his Bachelor's degree from National Louis University. Wesley served his Nation in the U.S. Navy for 4 years. He launched a successful 28-year career with the Board of Governors of the Federal Reserve System in Washington DC as a project leader in the Division of Reserve Bank Operations and Payment Systems. Wesley's love of the water included many years of boating and many vacations at Sandals Montego Bay where he pursued his passion of scuba diving and earned an Assistant PADI Instructor Certification. Wesley was widely known as a member of the Jamaica Sandals "MoBay Pirates" and proud of the group's fundraising activities. Wesley was a member of the

American Legion, Elks Club and Moose Lodge.

Wesley retired in 2012 and with his wife, Pat, enjoyed the freedom of traveling between their Nokesville, Va. and Cape Canaveral, Fla homes. Wesley had a rich and deep love for life and people, with the unique and sincere quality of meeting strangers with the same respect of a friend. Whether having known Wesley for 5 minutes or 65 years, all have lost an 'Old" Friend. Wesley never met a stranger. Wesley is remembered fondly for his commitment to doing the right thing, and his entertaining and colorful personality. His favorite quote says it all: "One day your life will flash before your eyes. Make sure it's worth watching."

The family will receive friends on Thursday January 28, 2016 from 6:00pm – 08:00pm at the Pierce Funeral Home at 9609 Center Street, Manassas, Va. A Mass of Christian Burial will be celebrated on Friday, January 29, 2016 at 10:00am at All Saints Catholic Church, 9300 Stonewall Rd., Manassas, Va. Military Honors will immediately follow the service. Interment will be held at a later date.

The family suggests donations to the Wounded Warrior Project (link <https://support.woundedwarriorproject.org/default.aspx?tsid=72>) or Southeastern Guide Dogs "Paws for Patriots" (link <https://www.guidedogs.org/about/our-programs/paws-for-patriots/>). Condolences may be sent to: www.piercefh.com

“ I just happened along this site and this is very sad news. It was an awfully long time ago, but in the 5th grade at Loch Lommond Elementary, Wesley was voted the King of the school via candy sales...and I was voted the Queen. We walked down the aisle together during the celebration. God Bless!

“ Pat, we're so sorry for your loss.
You and Wes are loved by so many people - everyone who meets
you two immediately become friends for life.... I know that's what
happened with me! Sandals Montego Bay will never be the same
without our "Governor" holding our spot at the end of the bar.

We're here if you need anything Pat and we'll be keeping you and
your family in our thoughts and prayers.

“ *Wes...you will be forever in our hearts. Thank you for being our son's godfather and thank you for being the best friend ever. You and Brian sure knew how to get into mischief and have a few beers even if it was on a Sunday morning when Brian should have been working on finishing our basement at Tower Place. I remember the two of you going to Marlo's Furniture Store to pick up our new furniture and on the way home one of the lamps flew out of Bri's truck, You both laughed about that for days:) Pat & Wes*

“ I first met Wesley when the corner of Crozet Street and Evans Street in Manassas Park had barely been paved. He was my first childhood friend at the age of 5 or 6 and we became fast childhood buddies for about 10 years, attending All Saints and Parkside until I moved away. Bike treks, baseball, wrestling, playing "Army", "reading" comic books, BB gun battles, mid-summer hide and seek with "50" kids, trick or treat pranks, chasing the ice cream man, picking on the "big kids" and getting it in return, rope swinging over a creek, cub scouts, boy scouts, and as we started to mature, girls! I visited when I could and the last time I saw him was almost 45 years ago when I was on leave from the Marines. Later I heard that he went into the Navy and later had a job at the Federal Reserve and was doing well. My memories of Wesley are my memories of a childhood that others nowadays would be envious of since we weren't smothered by the nannies of the world. We grew up when kids could be kids and Thank God for that! I cannot ever remember my early childhood without remembering Wesley Horn. "Until we meet again, may God Hold you in the palm of his hand."

“ Our thoughts and prayers to Pat, Robbie and all of Wes' family. We had the pleasure of Wes' friendship for over thirty years. A big part of our lives for quite a few years involved Pat & Wes, Terry & Sue, Len & Sandy, Toni & Jack, Bobbi & Vernon. There are so many great memories to think back upon and smile. We have been remembering the pool parties at SummerTree, our adventurous New Year's Eve trips out of town, our Washington Redskins football parties, our rafting trips down the Rappahannock River, our gatherings at Nags Head and our crazy Friday nights at Pargos. I always thought Wes' smile entered a room before he did. He had the best sense of humor and the wonderful ability to laugh at himself. Rest in peace, Wes. We will all gather again someday.

I was shocked and saddened to learn about Wes' death last week. I enjoyed his sense of humor and his outgoing nature. Wes was a good friend and we had some memorable "road" trips during our time at the Board. Remembering Wes will always make me smile - especially thinking about his jokes and quips. I will keep you and Wes in my prayers.

Both he and Pat have been our (Sue and I) best friends forever, and we will miss him so very badly. He always said "I have led a great life so when the time comes I will have no regrets". He worked hard and played harder!! We have so many memories that we can look back on and remember what an impact he had on our lives and so many others. Pat and family: I am so sorry for your loss. You are in my thoughts and my prayers. I wrote this poem when my brother passed away. I hope it will bring you peace. (I changed it a bit for you.)

Still

*Looking around and still you will see
Him standing there looking at thee.
His smile you will see wherever you go.
It seems to say he wants you to know
Wherever you go, whatever you do
He will be there walking with you.*

*Walk, not alone, but sometimes it feels so.
It is hard to continue daily even though...
You know that he has moved on, away from this place.
You know that you cannot really see his face.
But do not forget the smile that he shared.
The love that emanated showing that he cared.*

*Remember the times you have shared together.
Remember the sorrows and tears that were weathered.
Long for the days when together you will be
Laughing, smiling, and sharing together just him and thee.
Memories of your love will help you to keep strong
Until together you will be again all the day long.*
