

William and Zachariah Brice

April 14, 2024

William Clarke Brice, aged 6, and Zachariah Henry Brice, aged 3, passed away tragically on April 14, 2024. William was born on August 23, 2017, and Zachariah was born on September 16, 2020.

William and Zachariah were true gifts from God and raised in the ways of the Lord. William decided to be baptized at age 5. He was fun, loving, witty, hardworking, and always wanting to do well. For William it was either done right, or better. He was always giving hugs and telling everyone that he loved them. He was a natural and gifted athlete, participating in soccer, flag football, taekwondo, Kids Spartan races, and wrestling. His dream was to play in the NFL, and his favorite team was the Buffalo Bills.

Zachariah always wanted the center of attention and to let everyone know he loved them. He was a masterful hugger and loved greeting everyone with joy and excitement. He captured the hearts of all those he encountered. He followed his brothers everywhere and wanted to emulate them, even if he couldn't do everything they did. He also was very persistent. Once he set his mind to something he was not going to quit until he got it. He really loved animals and playing with our two dogs Butch and Sandy. He loved being outdoors and being present in nature.

William and Zachariah are survived by his parents James Sanford Brice and

Reina Catherine Brice, and older brothers Seth Brice and Logan Brice. They will also be missed by their grandparents, extended family members, and many friends who were touched by their joyful presence.

The Brice family would like to express their heartfelt gratitude for the outpouring of love and support from friends, family, and community during this difficult time. William and Zachariah will forever remain in our hearts, their memories cherished, and their spirits remembered with love. In lieu of flowers the family would appreciate any donations to the Brice Family Fund; welovechurch.com/the-brice-family.
