“ I guess what makes this hard for me is that i'm still waiting for you to come back to work. You left with a smile and a laugh as you always did, I had no clue it would be the last time I would ever talk to you. I know you left us because you had to and you wouldn't have had it any other way then by doing it protecting the ones you loved the most. R.I.P Bathgate, Gone but NEVER forgotten!!!
